MARITIME WORK EXPERIENCE

For each yacht list all of your duties in detail, was the yacht busy, cruising itinerary, how many guests, responsibilities etc

If you are new to the industry and have not yet worked on a yacht full time make sure that you list any day work you have secured. As above add details of everything you were asked to do and make sure you ask the captain if you can add him as a reference on your CV before you disembark.

NAME OF THE YACHT, Commercial Yacht (37m), Deckhand : fca 'l'hc'

PERSONAL PROFILE & GOALS

Use this space to briefly introduce yourself, outline your goal, highlight your relevant skills and the role you are looking

I have been in and around the boating industry most of my life. I enjoy being around enthusiastic, energetic, and fun people. I am proactive and very meticulous and thorough in my work and strive to keep it at a high standard. I currently am a sole Deckhand looking to move up to either a Lead Deckhand or Bosuns role and take on new responsibilities with a great deck team. Looking to cross to the Caribbean.

HOBBIES

Use this space to give an idea of what you enjoy outside of yachting

Football

Gaming

Reading

Fishing

REFERENCES

Name of the Boat
Name of the contact
Position
Phone Number
Email

- Pumping, cleaning, rust removal of all bilges.
- Splicing, whipping fender, and mooring lines.
- Assisting with various tasks in the Engineering Department.
- Occasionally helping the interior team

Name (35m), Day Deckhand
From - to

Accommodating 6 crew and 10 guests on board. Full tender and M/Y washdown, docking and mooring procedures, stainless polishing, tender driving, cleaning windows and Interior detailing (Cleaning Toilets and Windows)

Name, Private / Assistant Practical Examiner
From - To

A Small Ski Boat which sole use was for teaching practical exams for SAMSA Skippers Licenses. The content covered was inclusive of SOLAS gear, which is mandatory to have on board, the use of it, what function it serves, when and how to use it. How to correctly manoeuvre the vessel and practicing various drills, MOB, Fires, Breakdowns.

LAND BASED POSITIONS

Just because you are applying for a yachting position doesn't mean you can't include land based experience on your CV. Especially if it accounts for gaps in your employment or you are at the beginning of your yachting career. All experience is valuable and should be included.

Name of the Company, General Manager
From - To

I opened and closed the business on numerous days, delegated various tasks for the staff to carry out and complete. Managing the stock while offloading and loading fresh product trucks. Made data records to capture daily sales and monthly expenses. Stepped in to perform cashier duties when needed. I also went on numerous owners' errands.

EDUCATION

Include details, this will depend on your seniority of course and more relevant for younger crew with shorter CV's. If you have been in the industry for many years then you don't need to list what you studied at A' level.

20 Jan 2014 – 14 Dec 2017 Student

I obtained a Diploma in Information Technology and a higher certificate in PC engineering.

7 Jan 2001 – 20 Nov 2010 Student

I completed my schooling career until the end of matric (Grade 12).
